

RECORD ALBUM TISSUE BOX

- Assembled box is 5x5x6 inches.
- Template can be moved to far left or far right. The top portion (where the hole is) can also be moved to the right-hand section if the album art is better on that side.
- Solid lines are cut lines.
- Dashed lines are scoring lines, where the cardboard will fold.

RECORD ALBUM TISSUE BOX - OTHER TWO SIDE PANELS

- Position this anywhere on the back cover of the album to showcase the best artwork.
- No need to create tabs here, as they were created on the other piece.
